

# Listening is believing

Spectacular explosions or high-speed car crashes will never sound as gloriously punchy, life-like and rich in detail as they will from our new Custom Theatre subwoofers. Powered by a separate SA 1000 amplifier, both speakers in the range slot neatly into home theatre cabinetry and use a uniquely rigid mushroom diaphragm construction to deliver unparalleled bass effects. The CT SW10 is the entry point in the range, delivering powerful bass through a 10 inch paper/Kevlar® driver.

## Technical Specifications (preliminary)

Technical features	Long throw Paper/Kevlar® cone bass driver Magnetically attached grille
Description	Closed box subwoofer
Drive units	1 x ø250mm (10 in) Paper/Kevlar® bass unit
Frequency range	-6dB at 20Hz and 25/140Hz (EQ at A) (with SA 1000 subwoofer amplifier)
Frequency response	±3dB 27Hz 40/140Hz (EQ at A) (with SA 1000 subwoofer amplifier)
Nominal impedance	4Ω
Recommended amplifier power	1000W into 4Ω on unclipped programme (SA 1000 subwoofer amplifier)
Max. recommended cable impedance	0.1Ω
Dimensions	Height: 360mm (14.2in) Width: 340mm (13.4 in) Depth: 260mm (10.3 in)
Net Weight	17kg (37.5lb)
Finishes	Cabinet Black painted Grille Black cloth
