

SIVGA

# CLASSIC FASHIONABLE

Closed back rosewood hi-fi headphone

黄莺 - Oriole

# THE COMBINATION OF WOOD AND METAL MATERIALS

Makes a classic and compact design

Oriole

# EXQUISITE SELECTION FINE WORKMANSHIP

The wood housing is processed by five axis CNC machining and then made by many manual processes such as sanding polishing, painting and natural air drying.

The surface of the wood housing is high glossy piano paint. The brand logo made by laser engraving is elegant and unique.

# WOOD HOUSING IS MADE BY HAND WITH FINE WORKMANSHIP

The headphone housing is made of natural high-density rosewood, which is the first choice for high-end musical instruments as it makes stable and outstanding sound quality.

# METAL PARTS MADE BY MULTIPLE PROCESSES FOR HIGH-END LOOK AND DURABILITY

The metal parts are made by scientific and exquisite processing, which makes elegant and luxurious looking

# **THE HEADBAND IS DESIGNED LIGHT COMFORTABLE AND WEARS NO PRESSURE**

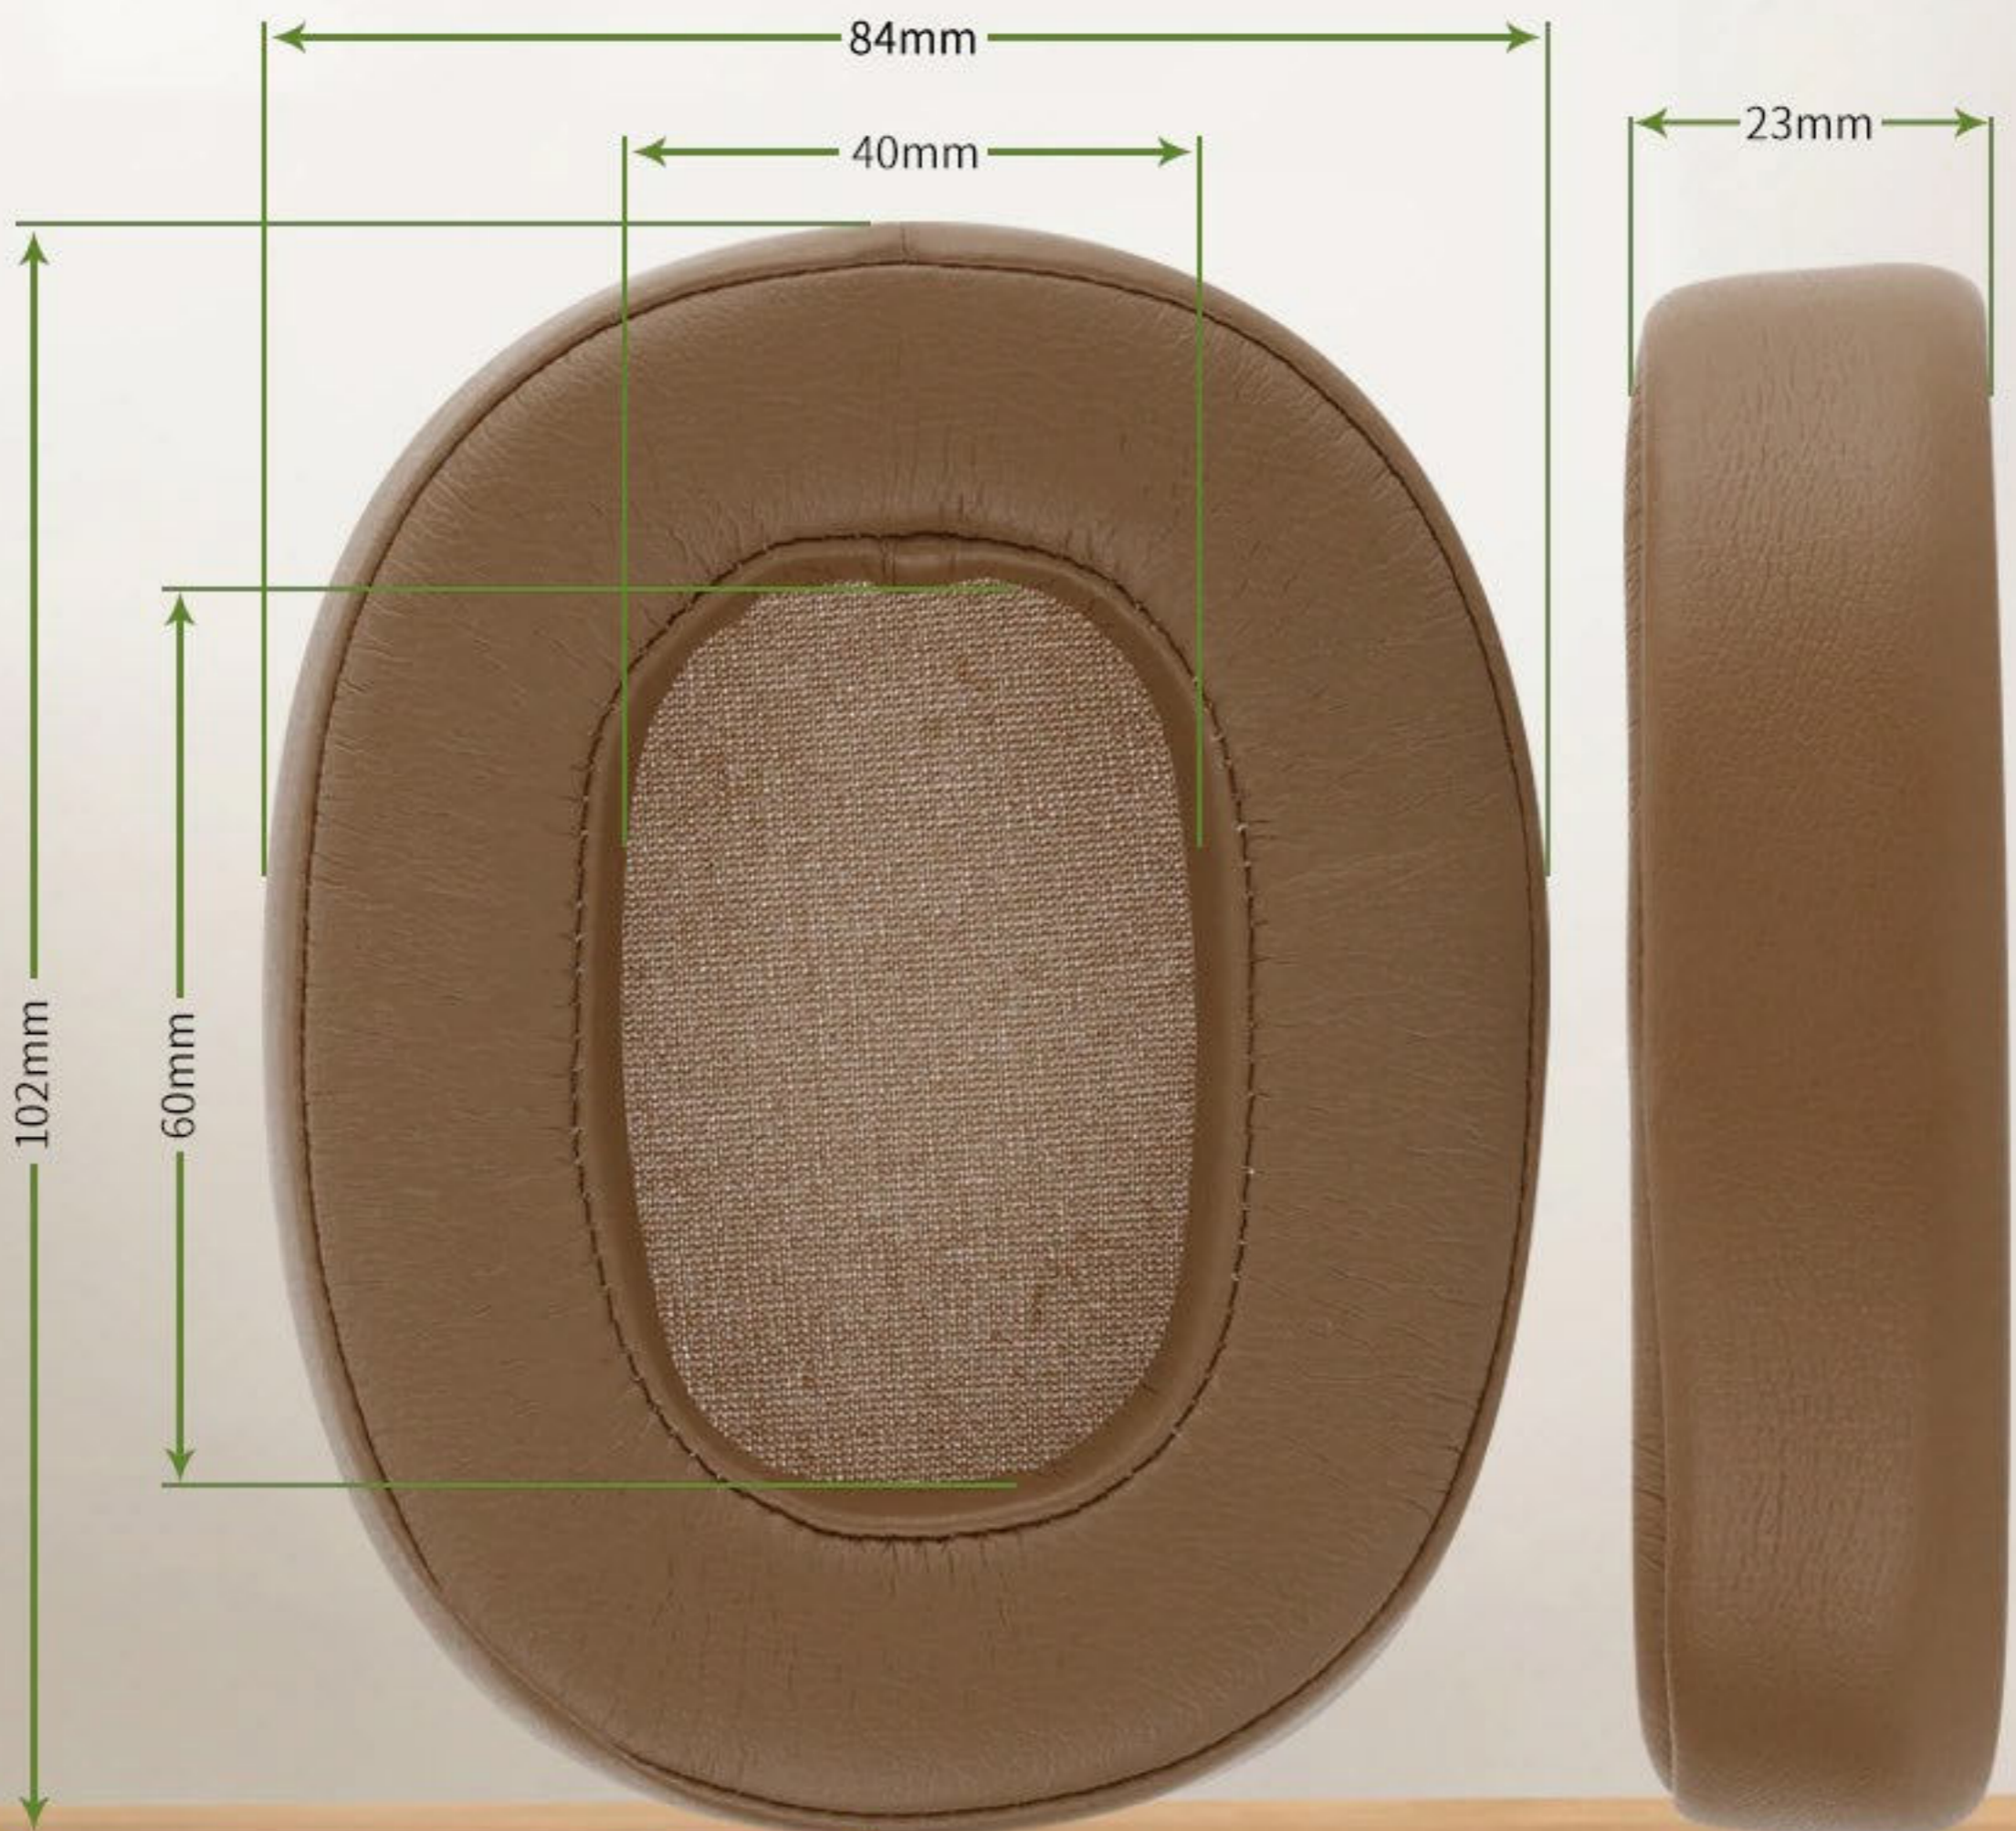

Ergonomically designed headband wears light  
and without any pressure  
High protein leather headband is soft and delicate.

# SUPER SOFT MEMORY FOAM

The leather earpads are skin-friendly

**THE HOUSING  
BRACKET CAN  
BE ROTATED  
BY 180 DEGREES**

For better sealing and comfort

# IN-HOUSE DEVELOPED 50MM DYNAMIC DRIVER

Makes balanced and high resolution sound  
and no fatigue for long time listening

# BALANCED NATURAL AND ACCURATE SOUND

Wide soundstage with good separation on instruments.

Closed headphone housing for no disturbing.

—— Moderate bass

—— Smooth mids

—— Fresh and exquisite treble
